

IWATA IWC28S Workshop Compressor

2 HP • 8.0 gal

Working Pressure 150 psi

With the power, performance and longevity worth your investment, this compressor is the perfect air source to bring your projects to the next level.

The 2.0 HP motor produces 5.3 CFM @ 90 PSI and 6.4 CFM at 40 PSI. That's enough air for two mini spray guns simultaneously. Or airbrushes. Or a pneumatic tool. Whatever you need to get the job done.

The ultra-durable steel tank holds a generous 8 gallons of air. While drawing off the air tank, this compressor is silent. When the tank needs to refill, the quick fill cycle kicks in at only 70 dB and the pump will automatically shut off when the tank is full.

The stainless-steel rust resistant tank and premium pump components work together to extend the life of your Workshop by thousands of hours. The life cycle is at least 3 and sometimes up to 10 times longer than comparable models.

Skip the trip to the hardware store with a plug-and-play set up, right out of the box. Just attach the included 25 ft air hose to your mini spray gun and you're ready to go.

- **2 hp**
- **Low to Medium Pressure Category**
- **Working Pressure: 100 psi**
- **Maximum Pressure: 125 psi**
- **Auto Shut off**
- **2 Air Pressure Regulators and Gauges**
- **With rugged wheels and handle**
- **Inherently quieter in public environments - 70 db**

Workshop Compressor, 25' Straight Air Hose , 1/4" BSP to Male QD Fitting, Steel Tool Shelf, Steel Cord/Hose Wrap, Air Filter and manual

IWC28s Workshop Specifications:

Pressure Category	Low to Medium
Compressor Type	Workshop Double Piston
Horse Power	2 HP
Voltage Requirement	110 - 120V 60 Hz
Plug Type	B - 3 pin w/Ground
Approved Region	North America
Amps	15 A
Wattage	90 W
Air Flow @ 40 PSI CFM	6.4 CFM
Air Flow @ 50 PSI CFM	5.3 CFM
Max Pressure psi	125 psi
Max Pressure MPa	0.86 MPa
Working Pressure psi	100 psi
Working Pressure MPa	0.69 MPa
Decibels	70 dB
Auto-Shut-off	Yes
Air Storage Tank Capacity	8 gallon
Pressure Regulator & Gauge	Yes 2
Moisture Filter	None
Net Weight lbs	79.36 lbs
Net Weight kg	36 kg
Assembled Dimensions in	25 x 14 x 25 in
Assembled Dimensions mm	641 x 353 x 625 mm
