

IWATA IS 975 Power Jet Pro Compressor

1/6 HP • 2 Liter Tank
Working Pressure 1-50 psi

Iwata Power Jet Pro is a remarkably quiet, feature rich dual-station airbrush compressor with low to high output from 1-50 PSI. It is completely set up to conveniently and independently operate two airbrushes at a time.

Auto shut-off technology enables the compressor to shut itself off when not in use. This feature upgrade is known to lengthen the life span of the compressor motor because it reduces the workload of the motor over time. Two fully adjustable, mounted air regulators allow you to independently control air pressure to two airbrushes with two mounted gauges that displays precise air pressure. Two moisture filters prevent pulsation and trap condensation, delivering clean, dry air. Iwata Power Jet Pro has a 1/6 hp motor and a 2 liter air storage tank. The modern Iwata Power Jet Pro allows easy-access to the air intake filter for quick filter changes. The protective outer case adds durability and has two mounted airbrush holders so that you can conveniently rest your airbrushes when not in use.

- **1/6 hp**
- **Low to Medium Pressure Category**
- **Working Pressure: 1-50 psi**
- **Maximum Pressure: 75 psi**
- **Auto Shut Off**
- **2 Pressure Regulators & Gauges**
- **2 Moisture filters**
- **Strong Protective outer case**
- **2 Built-in airbrush holders**
- **Smart Jet Technology**
- **Produces full-capacity air on demand**
- **Inherently quieter in public environments - 62 db**
- **2X Sprint Jet Power**

Includes: Power Jet Pro Compressor, 2 Straight Air Hoses, Extra Air Intake Filter, Adapter Kit (for other brands of airbrushes), and manual

IS 975 Power Jet Pro Specifications:

Pressure Category	Low to Medium
Compressor Type	Double Piston
Horse Power	1/6 hp
Voltage Requirement	110 - 120V 60 Hz
Plug Type	B - 3 pin w/Ground
Approved Region	North America
Amps	135 A
Wattage	155 W
Air Flow @ 60 PSI CFM	1.08 CFM
Air Flow @ 60 PSI LPN	31 LPN
Max Pressure psi	75 psi
Max Pressure MPa	0.52 MPa
Working Pressure psi	1 - 50 psi
Working Pressure MPa	0.01 - 0.34 MPa
Decibels	62 dB
Auto-Shut-off	Yes
Air Storage Tank Capacity	2 Liter
Pressure Regulator & Gauge	Yes - 2
Moisture Filter	Yes - 2
Net Weight lbs	25.84 lbs
Net Weight kg	11.72 kg
Assembled Dimensions in	6.97 x 12.99 x 12.32 in
Assembled Dimensions mm	177 x 330 x 313 mm
